DIARY NOTES

ADD/A (Colonel White)

7 February 1952

General Davison telephoned regarding the following:

25X1A9a

An Army officer leaving OPC was given an efficiency rating which was later torn up by [REDACTED] who gave a new and lower efficiency rating on the same officer for the same period. The officer who was rated has made a complaint and the Inspector General of the Army wanted to come over and look into the situation. I told General Davison to tell the Army that we would have our own Inspector General look into it and give them a report. Arranged with Mr. Hedden to work with General Davison on this matter.
